Yr wythnos hon, byddwn yn edrych ar stori LostPrincess (0:00) a Charlotte (8:25)

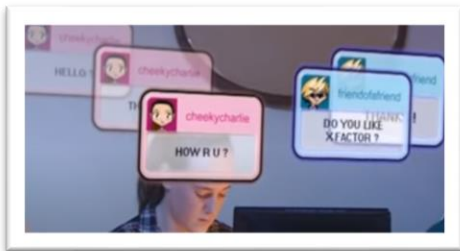

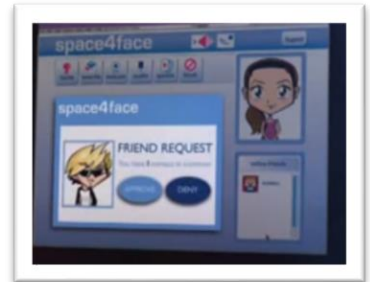

Gallai'r LostPrincess fod yn bwy bynnag yr oedd am fod ar-lein; newidiodd ei gwallt, ei golwg, hyd yn oed ei hoedran!

Ond nid hi oedd yr unig un!

Roedd Charlotte hefyd yn dweud celwydd am ei hoedran a dywedodd ei bod yn 13 ac nid yn 12 oed er mwyn iddi allu defnyddio gwefan cyfryngau cymdeithasol boblogaidd. Roedd ei ffrindiau i gyd yn ei wneud felly roedd yn iawn, oedd e?

Roedd Charlotte yn teimlo mor arbennig i gael cais ffrind. Doedd hi ddim yn adnabod y person ond dywedodd ei fod yn ffrind i ffrind o'r ysgol felly roedd hynny'n iawn, oedd e?

Bu Charlotte a LostPrincess yn siarad am oriau gyda'u ffrindiau newydd ar-lein. Roedd ganddyn nhw gymaint yn gyffredin ac roedd gan y ddau ohonyn nhw ddi-ddordeb mawr yn yr hyn oedd gan Charlotte a LostPrincess i'w ddweud.

Rhannodd y ddwy ferch wybodaeth bersonol amdanynt eu hunain gan feddwl ei bod yn ddiogel oherwydd eu bod yn adnabod eu ffrind rhithwir mor dda. Gofynnodd iddynt bethau a oedd yn gwneud iddynt deimlo'n anghyfforddus ac yn teimlo cywilydd. Roeddent yn ofni na fyddai eu ffrindiau newydd yn eu hoffi mwyach pe byddent yn dweud na.

Gofynnwyd i'r ddwy ferch gwrdd â'u ffrindiau rhithwir yn y byd go iawn. Roedd Charlotte yn ffodus bod ei Mam wedi darganfod cyn hyn ac roedd hi'n rhyddhad i gael help. Cyfarfu LostPrincess â'i WhiteKnight a darganfu nad oedd o gwbl pwy ddywedodd ei fod...

Mae perygl dieithr hyd yn oed yn fwy o broblem ar-lein fel y mae yn y byd go iawn. Sut allwn ni wneud yr holl bethau rydyn ni'n mwynhau eu gwneud ar-lein a dal i gadw ein hunain yn ddiogel?

Mae 2 dasg yr wythnos hon i chi eu cwblhau:

First, rewatch this Newsround video: <https://www.youtube.com/watch?v=kgCNGvL0g1g>.

This week we're going to be looking at Lost Princess (0:00) and Charlotte's story (8:25).

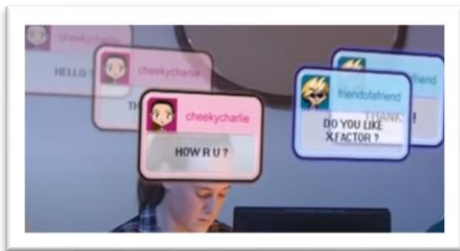

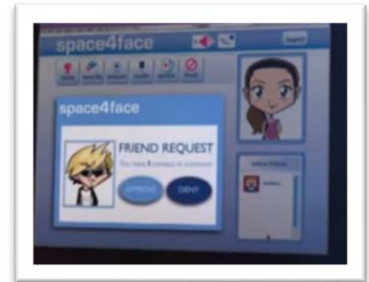

LostPrincess could be whoever she wanted to be online; she changed her hair, her look, even her age!

But she wasn't the only one!

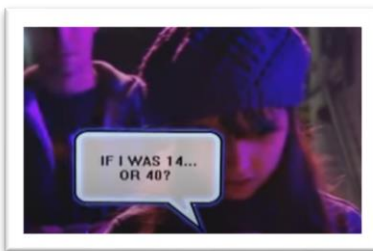

Charlotte also lied about her age and said that she was 13 and not 12 so she could use a popular social media site. All of her friends were doing it so it was alright, wasn't it?

Charlotte felt so special to be sent a friend request. She didn't know the person but he said he was a friend of a friend from school so that was fine, wasn't it?

Both Charlotte and Lost Princess talked for hours with their new friends online. They had so much in common and they were both really interested in what Charlotte and LostPrincess had to say.

Both girls shared personal information about themselves thinking it was safe because they knew their virtual friend so well. He asked them things that made them feel uncomfortable and embarrassed. They were afraid that their new friends wouldn't like them anymore if they said no.

Both girls were asked to meet their virtual friends in the real world. Charlotte was lucky that her Mum found out before this and she was relieved to get help. Lost Princess met up with her WhiteKnight and she found out that he wasn't at all who he said he was...

Stranger danger is even more of a problem online as it is in the real world. How can we do all the things that we enjoy doing online and still keep ourselves safe?

There are 2 tasks this week for you to complete:

Stranger Danger

How to respond

Tasg Lles 3 E-ddiogelwch Perygl Dieithryn (Adref)

Perygl Dieithryn

<https://www.free-for-kids.com/internet-safety-posters.shtml> – llawer o syniadau fan hyn i'ch helpu

STRANGER DANGER

NEVER Never agree to meet a stranger. Do not go anywhere, or do anything with someone that you are not comfortable with.

NEVER Never take sweets or presents from someone you don't know.

NEVER Never get into a car or vehicle belonging to someone that you do not know.

NEVER Never give your personal details to a stranger.

ALWAYS Tell your parents or a responsible adult, where you are going and who you are with.

ALWAYS Arrange a time to be back – and stick to it!

ALWAYS Look out for each other when you are playing with friends.

ALWAYS Make sure you know the contact details of your parents, or a responsible adult, that you can contact in an emergency.

Digital Stranger Danger

People you only know online are strangers. Not everyone on the Internet is who they say they are, so it's important to be careful when talking to people online.

Beware of Strangers

Any person online who you have not met in real life is a stranger.

Some strangers use the internet to gain the trust of children and take advantage of them. This is called grooming.

Strangers online can:

- Use a fake name or username to appear to share your interests.
- Use a fake age to seem like a child you could be friends with.
- Use avatars (images or characters that represent online users) to hide who they really are.
- Pretend to be interested in the same things as you by asking questions about your interests or hobbies.

Live Streaming

Live streaming is when two or more people have live video conversations on social media or online streaming apps. Live streaming can be dangerous because strangers may target sites such as Snapchat, Facebook Live, Periscope and Ormeau, to groom or abuse children.

Safe Online

When you're online, make sure you:

- Ignore requests from people you don't know.
- Don't use or live streaming app with strangers.
- Don't share photos of yourself with strangers.
- Remember you've only ever talked to online, unless you're with a parent or guardian.

If a stranger has contacted you inappropriately, tell a trusted adult (such as a parent or teacher). If you feel as though you're in danger and need help straight away, call the police on 999.

INTERNET SAFETY BE SMART AVOID STRANGER DANGER

SOME PEOPLE PRETEND THEY ARE SOMEONE ELSE -

- THEY PRETEND TO BE KIDS -
- THEY TRY TO BE YOUR FRIEND -
- THEY ARE PREDATORS -
- THEY CAN BE DANGEROUS

DO NOT BE FOOLED!

- ONLY "FRIEND" PEOPLE YOU KNOW -
- ONLY TALK TO, MESSAGE, EMAIL OR SEND PICTURES TO PEOPLE YOU REALLY KNOW -

ALWAYS TELL YOUR PARENTS

IF YOU RECEIVE A MESSAGE OR EMAIL FROM SOMEONE YOU DO NOT KNOW!

DO NOT

- ENTER CONTESTS
- JOIN CLUBS
- WITHOUT PERMISSION FROM YOUR PARENT -

THESE CAN ALSO BE TRICKS TO GET YOUR PERSONAL INFORMATION -

Back To School - Child Safety Tips

You can't always be near your child. How do you make sure they are safe? Teach your children:

STRANGER DANGER

- 01 What do you mean by strangers?**
 Pretty strangers can be as dangerous as scary-looking strangers.
- 02 Who can they go to when they need help?**
 Teachers, Policemen, Neighbours
- 03 Possible dangerous situations, eg:**
 A stranger claims to be a friend of your parents and offers you a ride home from school.
 A nice looking stranger approaches you and asks for help/directions.
 Children should not approach or follow strangers.
 Good grownups don't ask kids for help. They go to other adults for assistance.
- 04 What to teach your child:**
 Always be accompanied by someone they can trust.
 Know the home address and mummy's and daddy's phone numbers.
 Scream or shout "NO!" when they are in a dangerous situation.
 Talk with mummy/daddy about their day and not keep secrets from them.
